⚠ CAUTION ⚠

Insert the Stick **completely** into the meat so it can withstand high temperatures.

Beware of flare-ups! They can exceed 900 °F/500 °C and damage the Stick.

DE

Der Stick reicht bei voller Ladung 18+ Stunden.

⚠ ACHTUNG ⚠

Setzen Sie den Stick **vollständig** in das Fleisch ein, damit er den hohen Temperaturen standhält.

Vorsicht vor Aufblammen!
Sie können 500 °C überschreiten und den Stick beschädigen.

**溫度偵電量充沛
能使用超過18小時**

⚠ 注意 ⚠

將溫度儀**完全**插進肉裡，才能耐高溫烹煮。

小心火焰！突發的火焰可能高達500 °C並損壞溫度儀。

FR

Le Stick tient plus de 18 heures sur une charge complète

⚠ ATTENTION ⚠

Insérez **complètement** le Stick afin qu'il puisse supporter des températures élevées.

Attention aux flammes!
Elles peuvent dépasser les 500 °C et endommager le Stick.

DA

Proben kan holde mindst 18 timer på en fuld opladning.

⚠ ADVARSEL ⚠

Sæt proben **helt** ind i kødet, så det kan modstå de høje temperaturer.

Pas på flammer! De kan overstige 500 °C og gøre skade på proben.
