Indigo Beautie

MATERIAL SAFETY DATA SHEET

15-Dec-20

1. Product & Company Information

Product Name: Sensitive Moisturiser(white,DROM30358099 CALM SEA MOD 0.8%)-NEW
RSC

Company: Indigo Beautie Company Limited

Address: Room D6, 11/F, Hong Kong Spinners Industrial Building, No. 760 Cheung Sha Wan
Road, Kowloon, Hong Kong

TEL: 852 3111 02111

2. Composition/Information on Ingredient:

3. Physical & Chemical Properties:

Form/ Color / Odour: lotion/white/30358099 CALM SEA MOD

pH (5g/1): 5.0~7.0 approx

Boiling point: Not applicable

Softening point: >70°C

Flash point(COC): >100°C (After evaporation of water)

Autoignition temperature: Not determined

Explosive/ Oxidising properties: Not to be expected

Vapour pressure(20): <1 mbar

Bulk density: 992.5 kg/m³ approx.

Solubility: Miscible with water(20°C)

4. Hazards Identification:

Inhalation: Dust can cause irritation.

Skin contact: Unlikely to be irritant in normal use.

Eye Contact: Can cause irritation.

Ingestion: Unlikely to be harmful unless excessive amount swallowed.

Physical/ chemical hazards: None identified

Environmental hazards: None identified

Environmental hazards: None identified

5. First Aid Measures:

Inhalation: Move to well ventilated or open area with fresh air

Eye contact: Wash with plenty of water and obtain medical attention if sensations

persist

Ingestion: Remove material from mouth. Rinse mouth with plenty of water and drink plenty of water. If large amount swallowed or symptoms developed. Seek medical attention immediately.

6. Fire Fighting Measures:

Extinguishing Media: Water(mist), foam, dry powder, carbon dioxide.

Unsuitable extinguishing media: None

Specific hazards: None

Special protective: As of local fire-fighting regulation

7. Accidental Release Measure:

Dust precautions: Wear dust mask if dusting occurs

Environmental precautions: Avoid contamination of all water sources

Methods for cleaning up: Remove product and contain in labeled containers and dispose of in accordance with all applicable local, state, and federal regulations.

8. Handling and Storage:

Handling: No special procedure necessary. Prevent dust formation

Storage: Store in the original closed packaging under ambient conditions. Avoid extremes cold or heat.

9. Exposure Control And Personal Protection:

General precautions: Good industrial hygiene should be followed, Avoid extremes cold or heat.

Ventilation: Not applicable unless Dusting persist

Occupational exposure limits: No data established

Personal protective equipment: Wear dust mask if dusting occurs

MATERIAL SAFETY DATA SHEET

15-Dect-20

10. Stability and Reactivity:

Stability: Stable under normal conditions.

Conditions to avoid:-

Materials to avoid: Strong oxidizing agents

Hazardous Decomposition Products: Not to be expected.

Hazardous Polymerization: Will not occur.

11. Toxicological Information:

Toxicity Date: Not available

Carcinogenicity: No evidence of carcinogenic properties

Reproductive Effect: None known

Effects of overexposure:---

Eye contact: May cause irritation

Skin absorption: None identified

12. Ecological Information:

Biodegradability: Biodegradable

13. Disposal Information:

Waste disposal method: Recycle where possible. Incinerate according to local regulations.

Contaminated packaging: Disposal in accordance with local, state, and federal regulation.

14. Transportation Information
