1. Introduction

This extremely portable, lightweight wireless audio transmitter & receiver is an ideal wireless audio solution for a wide range of situations and uses.

Receiver mode: wirelessly streams audio from your Bluetooth-enabled phone, tablet, or computer to your wired stereo, speakers, headphones or even the speakers in your car by using the AUX-in. Because of the inbuilt battery, you can stream audio up to 6 hours without power.

Transmitter mode: wirelessly streams audio from your non-Bluetooth TV, home stereo system, or CD player to your Bluetooth headphones or speakers.

Switch between transmitter and receiver modes with the simple flick of a switch. Effortlessly connect using advanced Bluetooth technology and 3.5mm audio cable (included).

Broad Compatibility: With the included 3.5mm cable and 3.5mm to 2RCA cable, this Receiver/Transmitter adapter can widely be used on your computer, laptop, home stereo system, headphone, smartphone, Mp3 player, CD player, etc.

2. Specifications

Technologies: BT4.2, A2DP, AVRCP (receiver mode only)
Operation Range: Up to 10m / 33ft (without any blocking objects)
Charging Time: 2 hours
Continuous Use Time: 6 hours (Receiver Mode) / 5 hours (Transmitter Mode)
Battery Type: Li-Polymer (200mAh)
Dimensions: 44 × 44 × 12mm
Weight: 18g

Trådløs Audio Transmitter/Receiver

1. Introduktion

Denne lette og transportable trådløse audio transmitter/receiver er ideel til mange situationer.

Receiver mode: streamer trådløst lyd fra din Bluetooth-aktiverede mobil, tablet eller computer til dine højttalere, høretelefoner eller højttalerne i din bil gennem AUX-in. Grundet det indbyggede batteri kan du streame lyd i op til 6 timer uden strømforsyning.

Transmitter mode: streamer trådløst lyd fra dit TV, home stereo system eller CD afspiller, som ikke har Bluetooth, til dine Bluetooth høretelefoner eller højttalere.

Du kan nemt skifte mellem transmitter og receiver mode på den lille knap. Opret nemt forbindelse ved hjælp af avanceret Bluetooth-teknologi og 3,5 mm lyd kabel (medfølger).

Bred kompatibilitet: Med det inkluderede 3.5mm kabel og 2RCA kabel, kan du bruge denne transmitter/receiver på din computer, home stereo system, høretelefoner, Mp3 afspiller og meget mere.

2. Specifikationer
