

Mode d'emploi - Gebrauchshinweise - Instrucciones de uso - Istruzioni per l'uso - Gebruiksaanwijzingen - Instruções de utilização

ricordare che prodotti elettrici ed elettronici, batterie o accumulatori non vanno gettati assieme ai rifiuti domestici. Se non è possibile riciclizzarli o ridurre il prodotto, rivolgersi a un'isola ecologica o centro di riciclaggio locale. L'imballaggio e le eventuali istruzioni devono essere conservati poiché contengono informazioni importanti.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on,
