

Braun

Nasal aspirator 1

English
Product description
The Braun Nasal aspirator is a portable, DC-powered device consisting of a pump, a soft aspiration tip, and a secretion collection cup.

Intended use
The Braun Nasal aspirator is intended to be used for providing intermittent suction to remove nasal secretions and mucus in children, 0 to 12 years of age, for home-use only.

Please read all the instructions before using the Braun Nasal aspirator, especially this basic safety information.

- The Braun Nasal aspirator is designed to clean/extract nasal secretions only. Do not use the device for purposes other than those stated in these instructions for use.
- Keep out of reach of children under 12 years.
- Do not expose the Braun Nasal aspirator to direct sunlight.
- This device is designed for domestic use only. Consult a doctor if the child is suffering from a nasal infection.
- Do not use other nozzle than those supplied with this device.
- This product does not need to be calibrated.

Cleaning
To clean the Braun Nasal aspirator, twist off the cup and remove the tip. Clean it with soap and warm water. You can also put the detachable part (cup and tip) in the dishwasher but **NOT the device itself**. Don't let the device get wet.

For a deeper clean, keep the cap attached and lower only the cup into warm water but not too deeply. Start suction to flush clean. See Quick Start Guide for pictures and further details.

Guarantee
Please read all instructions before attempting to use this device. Please retain the receipt as proof of date and date of purchase. The receipt must be presented when making any claim within the relevant guarantee period. The guarantee period for this product will not be valid without a proof of purchase. Your device is guaranteed for two (2) years (2 years) from date of purchase. This guarantee covers defects in materials or workmanship that occur under normal use; defective devices meeting these criteria will be replaced free of charge. The guarantee DOES NOT cover defects or damage resulting from abuse or failure to follow the user instructions. The guarantee becomes void if the device is opened, tampered with, or used with non-Braun branded parts or accessories, or if repairs are undertaken by unauthorized persons. Accessories and consumables are excluded from any warranty. For support requests, please visit www.braunhealthcare.com/uk_en/ or find contact information at the end of this owner's manual.

This Guarantee is applicable to Europe, Russia, Middle East and Africa only.

UK Only: This does not affect your consumer statutory rights.

In Europe, any serious incident (e.g. death, life-threatening injury, surgical intervention, ...) that has occurred in relation to this Braun Nasal aspirator should be reported to KAZ Europa (see Helen of Troy Consumer Service Numbers) and to the competent authority of your member state.

REF LOT and Serial numbers of your product must be provided as they are essential to record and follow up your inquiry or claim. The LOT and Serial numbers are located in the battery compartment.

The production date is given by the LOT number and can be deciphered as explained below:

The first 3 numeric digits in the LOT number represent the day of the year of manufacture.

The next 2 numeric digits represent the last two numbers of the calendar year of manufacture and the letter(s) at the end designate the manufacturer of the product. (E.g.: LOT No: 12313tav this product was made on the day 123, year 2013 at the manufacturer code tav.)

Specifications

Model	BNA100
Maximum suction power	70 kPa
Operating temperature	+10 °C ~ +40 °C
Storage temperature	-25 °C ~ +55 °C
Operation & storage relative humidity	≤95 % R.H. non-condensing
Unit weight	230 g
Power source	Alkaline battery: 2 x AA (LR6) 1.5V
Battery life	1000 operations - 3 hours
Service life	5 years
Warranty	2 years

Deutsch
Produktbeschreibung
Der Braun Nasensauger ist ein tragbares, batteriebetriebenes Gerät, das aus einer Pumpe, einer weichen Absaugspitze und einem Auffangbehälter besteht.

Vorgesehener Verwendungszweck
Der Braun Nasensauger wird zur periodischen Absaugung von Nasenschleim verwendet, um verstopfte Nasen von Kindern zwischen 0 und 12 Jahren zu befreien. Das Gerät ist nur für den nicht-kommerziellen Gebrauch gedacht.

Bitte lesen Sie vor der Benutzung des Braun Nasensaugers alle Anweisungen sorgfältig, insbesondere diese grundlegenden Sicherheitshinweise.

- Näsensauger er udelukkende konstrueret til at fjerne/udsuge sekret fra næsen. Brug ikke enheden til andre formål end dem, der er angivet i denne brugsanvisning.
- Opbevarings-tilberegnet for børn under 12 år.
- Før Kinder unter 12 Jahren unzugänglich aufbewahren.
- Setzen Sie das Gerät nicht der direkten Sonneneinstrahlung aus.
- Dieses Gerät ist ausschließlich für den Hausgebrauch gedacht. Wenden Sie sich an einen Arzt, wenn Ihr Kind an einer Naseninfektion leidet.
- Verwenden Sie ausschließlich die mit dem Gerät gelieferte Düse.
- Das Produkt muss nicht kalibriert werden.

Reinigung
Für eine gründliche Reinigung lassen Sie den Behälter am Abzug und tauchen Sie ihn vorsichtig in warmes Wasser, jedoch nicht zu tief. Starten Sie die Absaugung, um sauber zu spülen. Weitere Bilder und Informationen finden Sie in der Schnellstartanleitung.
